Subject: Invitation to the 2nd International Convention on Vocational Student's Innovation
Project 26 - 29 August 2017, Phang-nga Technical College, Phang-nga, Thailand

I am pleased to inform you that the Office of the Vocational Education Commission (OVEC) will organize the 2nd International Convention on Vocational Student's Innovation Project during 26 - 29 August 2017 at Phang-nga Technical College, Phang-nga, Thailand. The project aimed to exchange knowledge and ideas in science and technology through the presentation of innovation projects of the students. The target groups of the project are the students from Science-Based Technology Vocational Colleges under the Office of the Vocational Education Commission and TVET students from other countries.

In this connection, I would like to invite the lecturer and student teams from National Institute of Technology, Japan (see attachment) to participate and present their projects at the convention. The Office of the Vocational Education Commission will be responsible for the expenses of local transportation from Phuket Airport to Phang-nga Technical College, accommodation and meals for all international participants. The return air ticket would be borne by the participant's side.

We look forward to meeting you soon.

Yours sincerely,

(Mrs. Jerdruedee Chinvaroj)
